“Lets Deal” – Dealer Mobile Application

FOR

CHOICE ELECTRIC, JAYSINGPUR

DEVELOPED BY

(Bringing Technology 2 Business)

An ISO 9001: 2015 certified company

(Ver 1.0)

(Confidentiality Statement: All the information contained in this document is the property and proprietary of Biyani Technologies and is not to be disclosed in whole or in part without express written consent of Biyani Technologies and shall not be duplicated or used, in whole or in part, for any purpose other than to evaluate Biyani Technologies capability and purpose of document.)

Below is the Requirement freezing document for Client : "Choice Electric".

There are two interface

1. Client Interface
2. Admin Interface

User Interface

1. USER Login

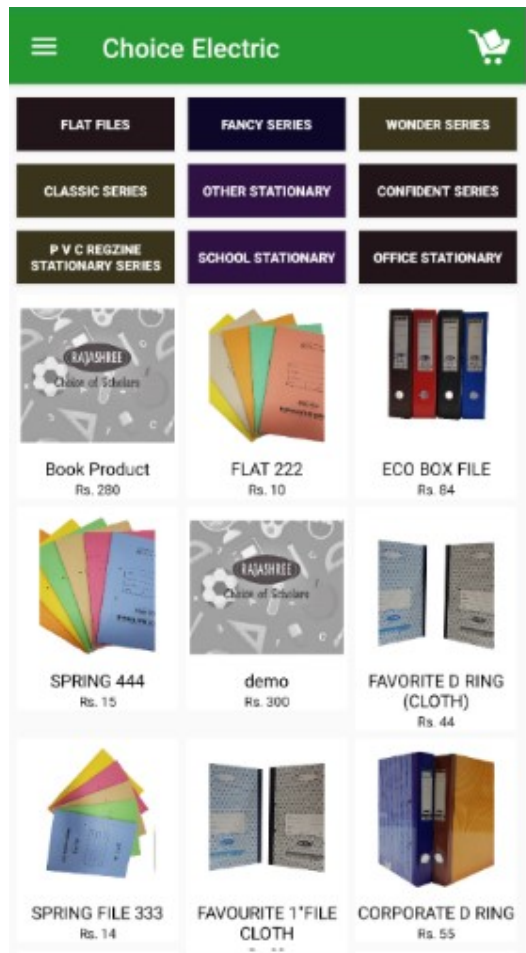

The screenshot displays the 'Choice Electric' user login interface. It features a green header bar with the text 'Choice Electric'. Below this, a white login form is centered on a blue background. The form includes the 'CHOICE ELECTRIC' logo with the tagline 'Home of Superior Electric'. There are input fields for 'User Id' and 'Password', followed by green 'LOGIN' and 'REGISTER' buttons. Below the buttons, the mobile number 'Mob: 9890880026' is listed. At the bottom, the address '9th Lane, Subhash Road, Near Bank of India, Jaysingpur-416101 Dist. Kolhapur' is provided. The interface is decorated with images of various electrical components like wires, switches, and tools.

Changes

1. New Mobile number, Email address to be mentioned
2. Address to be properly formatted
3. Mention in Top "One Stop Shop for all your Electrical Needs"

2. Main Screen:

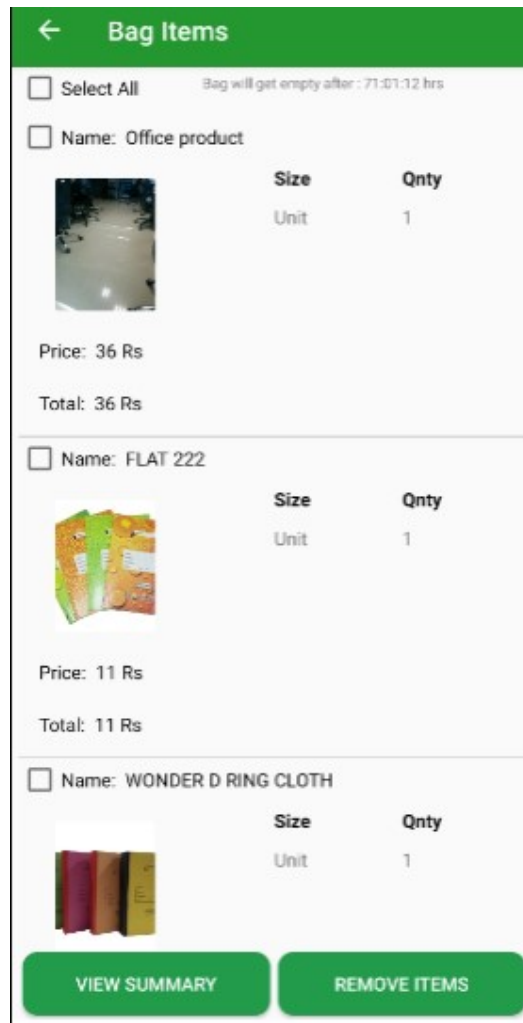

Displays the list of Categories, And below that categories displays the images of newly added items in last 1 week.

Change: No Change in this form

3. Product List :

Displays all Products under that category. User updates the “Quantity to order” and click “Add to Bag” here

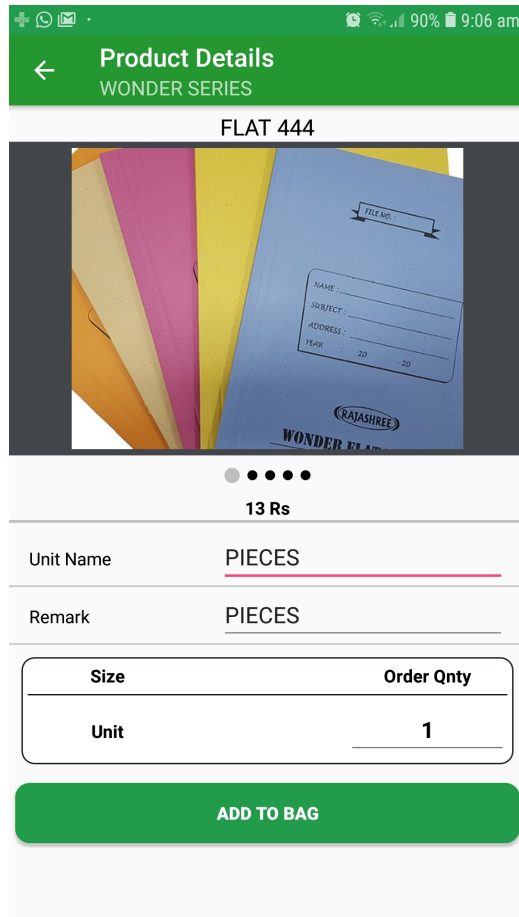

Change:

1. It has to be tabular format, each Product in a single row.
2. The Quantity by default should be “0”

4. Product Details

Once the user clicks of any Item display, the product image are displayed. The 4 images uploaded by admin are displayed.

The screenshot shows a mobile application interface for 'Product Details' under the 'WONDER SERIES'. The product is 'FLAT 444'. Below the title is a carousel of four images showing different colored folders (yellow, pink, orange, and blue) with a form on the blue folder. The form has fields for NAME, SUBJECT, ADDRESS, and YEAR, and a 'TEL No.' field. Below the images is a price tag '13 Rs'. There are two input fields: 'Unit Name' with the value 'PIECES' and 'Remark' with the value 'PIECES'. Below these is a table with two columns: 'Size' and 'Order Qty'. The table has one row with 'Unit' under 'Size' and '1' under 'Order Qty'. At the bottom is a green button labeled 'ADD TO BAG'.

Size	Order Qty
Unit	1

Change:

1. No Order place option required here for individual item wise.

5. Confirm Bag Items

User can remove any items added extra, which he does not want to place order for:

11. Main Screen:

It displays the list of all orders placed by users.

The screenshot shows a mobile application interface with a green header bar. The header contains a hamburger menu icon on the left, the text 'Choice Electric' in the center, and a funnel icon and a three-dot menu icon on the right. Below the header is a list of orders. Each order entry consists of three lines of text: the company name 'Me. Bharat Electricals', the location 'Kolhapur', and the status 'Status:'. To the right of this text is the order number 'Or No : ' followed by a number, and below that is the date. The orders are listed in descending order of their order numbers. At the bottom of the screen, there is a white bar with three black icons: a square, a circle, and a triangle.

16. Category Master:

Use to define the category:

The screenshot shows a mobile application interface for creating a category. At the top, there is a green header bar with a back arrow and the text "Create Category". Below the header, the main content area is light gray. It features a label "Product Category" in pink, followed by a horizontal pink line and a small downward arrow. In the center is a large gray camera icon. Below the camera icon are two smaller icons: a landscape photo on the left and a red camera icon on the right. Under the landscape photo is a checkbox labeled "Is Last", and under the red camera icon is a checkbox labeled "is First". At the bottom of the screen is a green button with the text "SAVE". The status bar at the very top shows various icons and the time "9:08 am" with "89%" battery.

Change:

1. Add Middle Category option
